### *English Instruction*

How often do you do the following...

Debate the meaning of a reading.

Discuss connections between a reading and real life people or situations.

Discuss how culture, time, or place affects an author's writing.

Improve a piece of writing as a class or with partners.

Rewrite a paper or essay in response to comments.

### *Math Instruction*

Apply math to situations in life outside of school.

Discuss possible solutions to problems with other students.

Explain how you solved a problem to the class.

Write a few sentences to explain how you solved a math problem.

Write a math problem for other students to solve.

### *Course Clarity*

I learn a lot from feedback on my work.

The homework assignments help me learn the course material.

The work we do in class is good preparation for the test.

I know what my teacher wants me to learn in this class.

It's clear to me what I need to do to get a good grade.
